Although it's vital that we rely on the Holy Spirit to guide us in evangelizing, it's also taught within the scripture that we are tactful in saving souls, in Matthew 10:16 Jesus emphasized in the scripture how we are to strategically propagate the gospel "I am sending you out like sheep among wolves. Therefore be as shrewd as snakes and as innocent as doves."

Below are a list of 100 ways to effectively spread the gospel of Jesus Christ to non-believers and agnostics.

Target those on the street:

1. Wear Christian theme t-shirts with bold Jesus slogans on it.
2. Explain to non-believers the positive impact that the church implemented into society for example the church is the largest single provider of education and [healthcare](#).

4. Create evangelizing card and always carry them with you, distribute it to those who can get in touch with you later to learn more about your faith.
5. Ask God for the gift of the prophetic so that you can tell people about their life.
6. Tell your testimony on how you overcome a particular sin or issue through giving your life to Christ.
7. Before you go to preach the gospel prepare a list of probing questions to ask non-believers, for example "where do you think you go to after you die"
8. Initiate conversation with those next to you on public transport (bus, train etc.)
9. Read John 10: 10-11 to them, "The thief (devil) comes only to steal and kill and destroy; I have come that they may have life, and have it to the full. I am the good shepherd. The good shepherd lays down his life for the sheep.

The article is so far from bible truth that I am half convinced it was written by an enemy of Christ. Most of the "suggestions" are actually what you should not do to evangelize.
